

HEALTH CERTIFICATE TEMPLATE

On account of the increasing amount of Export Certification and to assist in the future movement of horses going abroad by transport companies, we would request that you provide a Health Certificate for each Lot offered for sale.

The declaration, which should be on your Veterinary Surgeon's headed paper and be dated within 15 days of the Sale, should read as follows:

***“The above animal has been kept at.....
(Insert name of premises) and these premises are regularly attended by this Practice. These premises are not subject to any notifiable disease restrictions and to the best of my knowledge no cases of infectious or contagious disease have been reported to the Practice during the 15 days prior to this declaration.***

The above animal has not to my knowledge been in contact with equidae showing clinical signs of African horse sickness, Dourine, Glanders, Equine encephalomyelitis, Equine infectious anaemia, Vesicular stomatitis, Rabies, Anthrax Borna disease, Contagious equine metritis, Equine viral arteritis, Epizootic lymphangitis, Hendra virus infection or Surra during the 15 days prior to this declaration.”
