The Retraining of Racehorses (RoR) Showcase at Tattersalls celebrates the versatility and adaptability of retired racehorses as they transition into successful second careers. This highly anticipated event highlights the crucial work of RoR, British horseracing's official charity dedicated to the welfare and retraining of retired racehorses.

The 2025 parade proudly features nine former racehorses who have excelled in a variety of equestrian disciplines, showcasing their talent, resilience, and the opportunities available beyond their racing careers.
